Task Income

For Task income User have to download CT App (Android based) From google play store or link is available on website www.colorstrade.com same user name and password need of colors trade .

There are Points Mentioned on the front of every task with Terms and Conditions too. User have to complete all the Terms and Conditions as per mentioned for earn points. 1 point = 1 Rupee.

There are 3 type of tasks

1. App Download

(Non Conditionally, Semi conditionally and Fully conditionally)

- **Non Conditionally :** Just download the app and Register your details with phone number. Keep the app for 7 days in your phone .
- **Semi conditionally :** Download app you will get some points and if there is condition for purchasing, you will get extra points with first purchase.
- **Fully Conditionally :** Some times User will get apps fully conditionally , Have to download and fulfill the conditions (Like purchase or refer) As per mentioned in the details and will get points only after fulfill the condition.

2. Leads

- **User have to click on lead and open page , Fulfill details and they will call you and you have to verify your mobile number and details There is no condition for purchase or join any kind of product of lead but you have to show your interest on verification call. If you think that product suits you and cheaper than market you can purchase as well : Read all the instructions, Terms and condition before click on lead as per mentioned. You will get points only after verification call .**
- **We are giving you Lead Management : User can earn points through refer a friend options in leads, just refer some of your contacts and after verification you will get some points of every reference .**

3. Video Adds

- **User can watch video adds every day 30 minutes or more and get points for this add every day .**

NOTE :

- **Task income working cycle will be monthly, from 1st to end of the Month . 7 days need for reports and 10th of every month user will get task payout .**
- **Every week till Sunday night User will get points in CT App task earning panel and can see the completed tasks, but points can be redeemed in bank of wallet after payout completed i.e. 10th of every month.**
- **There is no capping of task income now. User will get more than 3000 points work in a month (including all type of works , Conditionally and non conditionally apps , Lead and lead management , video adds etc.) user will get points after completed report received by companies only .**
- **If any one have same app already in his mobile , which is showing in task , there will be no payout of that app . do another task work.**

- If any user will do commercial work like same IP address or same wifi connection more than 2 users working in same time then may be user will not get points of that task works.
- Kindly read all terms and conditions carefully before start the app because if user will not do work according to these terms and conditions mentioned on task , they will not get points.
- Red panel/ Free panel will get full Task work like paid id but that user will get Half points of same task till 3000 points will deduct by company after that they will automatically upgrade/green and will get all benefits and will get all type of income with full points.
- Users will get new tasks every week/day .
- Taxes applicable as per govt. rules.
